Subject: Stakeholder Meetings - Chesapeake Bay Act Amendments

Dear HOA Representative:

It has just come to my attention that your Homeowners Association was not included on the County's list of HOAs and, therefore, was not included in the mailings that were sent by the County on October 12 and October 22, 2010 inviting interested HOAs to participate in the Stakeholder meetings for the purpose of providing options for amending the proposed Chesapeake Bay Preservation Act ("CBPA") amendments to address concerns identified by Stakeholders. The Stakeholder meetings were directed by the Board of Supervisors as part of the Motion approved at their Business Meeting on October 5, 2010 (attached). The County apologizes for this oversight and wishes to invite your participation in the future Stakeholder meetings. The information that has been prepared to date regarding the Stakeholder process can be found on the County's web page for the Chesapeake Bay Act amendments at the following link:

www.loudoun.gov/chesapeakebay

The first Stakeholder meeting was held on November 9, 2010 from 7:00 p.m. to 9:00 p.m. at the Ida Lee Recreation Center. If your HOA is interested in participating in future meetings, please contact me with the name of a representative and their contact information (e-mail, mailing address and phone number) prior to the next meeting on November 16, 2010. I will send additional information regarding the schedule and location of future meetings soon. Please contact me with any questions or if I can be of any further assistance.
